COACHING LEADERS - STRENGTHENING TEAMS

## COMPANY BRIEF

### About Us

Changemaker Strategies works with visionary leaders and bold teams to navigate change and growth while staying focused on values and purpose. From leadership development and succession planning to strategic planning, coaching and advising, we support wise changemakers in fully leveraging their power and resources for the greater good.

Changemaker Strategies events and convenings bring together diverse leaders from across all fields to collectively dream, design, and advance work that matters.

We believe that healthy leaders, human centered cultures, impactful plans and projects drive success.
